application do not teach all of the elements claimed in the present invention, Applicant respectfully submits that the proposed claims are neither anticipated nor rendered obvious by the '559 patent and the '102 application.

CONCLUSION

Based on the foregoing, Applicant respectfully submits that the deficiencies in the application have been corrected and that the proposed claims are neither anticipated nor rendered obvious by the prior art reference cited by the Examiner. As such, Applicant believes that the claims are now in a condition for allowance, and action to that end is respectfully requested.

If any impediments to the allowance of this application for patent remain after the above amendments and remarks are entered, the Examiner is invited to initiate a telephone conference with the undersigned attorney of record.

DATED this 7 day of July, 2004.

Respectfully submitted,

Michael F. Krieger
